ABOUT US

Spinshot Sports has distribution centres in Melbourne & Brisbane. We provide quality, affordable tennis ball machines to our Australian customers.

We deliver Australia wide, we offer a flat rate of \$75 per machine. Usually your order will arrive within a week in normal conditions.

Originating in the United Kingdom, Spinshot tennis ball machines were developed to provide affordable quality tennis ball machines to their customers worldwide. Spinshot has a global network of licenced distribution agents.

We maintain the sole distribution agreement for Spinshot products throughout Australia.

Master Your Game with Spinshot Tennis Machine

Professional-grade training at your convenience.

Spinshot Sports AU's Tennis Machine is designed to elevate every player's performance. With precise ball control, programmable drills, and adjustable speed, spin, and feed rate, it's the ultimate tool for solo practice.

Custom Drills with App-Based Control

Train smarter with real-time adjustments.

Control your tennis machine wirelessly via the Spinshot app. Design custom sequences, target zones, and fine-tune every drill based on your training goals—all from your phone.

Portable, Durable & Court-Ready Design

Train anywhere with ease and confidence.

With a compact design, strong wheels, and built-in battery options, the machine is built for easy transport and long-lasting sessions on any court surface.

Why Spinshot Sports AU Leads the Game

Top-tier engineering backed by support.

Trusted worldwide, Spinshot combines cutting-edge features with durable construction and responsive customer service, ensuring unmatched value for every tennis player.
